TRANSFER OF WELL OWNERSHIP

Instructions: Complete one form for each permit. Please print or type. This application is used to request a change in ownership of the land a well or well system is located on or to request a change in ownership of a well or well system. By signing this application, the new owner takes the underlying water well permit subject to the same permit terms and conditions, rights, restrictions, and obligations as the current owner, including all requirements of the District Rules. **Submit this form with documents evidencing and supporting change along with an application fee of \$150.00 to the above address.** Additional information or explanations may be attached.

-This form may be faxed or mailed-
