PUBLIC HEARINGS AND MEETING FOR LONE STAR GCD

TUESDAY, FEBRUARY 10, 2026 — 6:00 P.M.
IN PERSON MEETING WITH OPTION FOR PUBLIC COMMENT REMOTELY BY VIDEOCONFERENCE

Notice is hereby given to all interested members of the public that the Board of Directors of the Lone Star Groundwater Conservation District will hold a previously scheduled and noticed special board meeting in person with the option for public comment remotely by videoconference **via a publicly accessible videoconferencing link. Information on how to participate in the hearing and meeting remotely by videoconference is provided below**. Agendas for each hearing and regular board meeting are provided in this packet immediately following the instructions for participation.

The Texas Open Meetings Act allows a governmental entity to authorize public participation by videoconference (not teleconference). On August 10, 2021, the Board of Directors approved Resolution #21-009, authorizing public comment to be given at its meetings by videoconference. If you are not comfortable attending the meeting in person, please participate via the videoconference link. You can provide written public comment in advance of the meeting or live during the meeting via the videoconference link below. Please note that in order to comply with the Texas Open Meetings Act, which authorizes public participation by videoconference, any person providing public comment by videoconference is asked to turn on their cameras while speaking to ensure there is two-way audio and video communication with the Board of Directors. If you are not comfortable turning on your video while giving public comment, please either attend the meeting in person or submit written public comment.
