Lone Star Groundwater Conservation District

Well Registration Form (Non-Exempt)

655 Conroe Park North Dr.
Conroe, Texas 77303
Phone: (936) 494-3436
Email: permitting@lonestargcd.org
Web Site: www.lonestargcd.org

All wells require a registration number. This form is to be used for authorization to register a new non-exempt well, an existing non-exempt well, or a temporary construction supply well. **A new operating permit form or amendment to existing operating permit form is required with this form. A separate form must be submitted for each well**. (See Rule Section 2). **Please complete all questions, print and fill in the appropriate spaces before submission.**

If you are completing this form on behalf of the property owner, submittal of the Delegation of Signatory Authority and Documentation of Authority Form is required.

Replacement Wells: For registration of a new non-exempt well to replace an existing non-exempt well in accordance with District Rule 2.13, please fill out the Non-Exempt Well Registration for Replacement Well Form in lieu of this Non-Exempt Well Registration Form.

Well Registration Form (Non-Exempt)

VIII. Acknowledgement

By signing this form, I understand that this Non-Exempt Well Registration Form is not approval to drill and that an Operating Permit is required from the District to construct and/or produce water from this requested registered well and agree, and certify that:

A. In using this well I will avoid waste, achieve water conservation, protect groundwater quality and the water produced will be for a beneficial use;
B. This well shall be drilled by a TDLR licensed driller and/or apprentice within 30 feet of the location specified;
C. I will furnish the District with a copy of the completed driller's well report log within 60 days of completion of this well and prior to production of water (other than such production as may be necessary to the drilling and testing of such well);
D. I will comply with all District and State well plugging and capping guidelines in effect at the time of well closure;
E. I will comply with the terms of the District Rules, the District Management Plan and orders of the District Board of Directors currently in effect and as they may be modified, changed and amended from time to time;
F. I agree to enter meter readings through the District portal by the end of the month no later than the 15th of the following month each month pursuant District Rules section 11
G. I agree that if the well is located in a flood prone area, well owner will comply with Administrative Rules of the TDLR 16, Texas Administrative Code, Chapter 76 Rule 76.1000;
H. I agree to follow well spacing requirements in District Rules 3.2-3.3 and Administrative Rules of the TDLR 16, Texas Administrative Code, Chapter 76 Rule 76.1000;
I. Upon sale of the property, I agree to notify the buyer that a Transfer of Ownership is required by the District; and
J. I hereby certify that the information given herein is true and accurate to the best of my knowledge and belief.
